Jose,

Thank you for calling this issue to our attention. You are correct. In the proposed draft permits WDW410, WDW411, WDW412 and WDW413 to be operated by TexCom Gulf Disposal LLC in Montgomery County, Texas, the numbers attributed to the Latitude correspond to the Longitude, and, conversely, the numbers attributed to the Longitude correspond to the Latitude.

We will address this issue which originated as an error in the application. Thank you for your comments.
